### **Goods**

Every effort is made to ensure that the products are described and presented accurately. However, in some cases the products may appear to be slightly different to the pictures due to photography. Hervé N. can not be held responsible for this.

Vegetable tanning is a completely natural process so different skins may have slightly different colors. In addition, tiny traces of veins and skin folds may appear on the leather. This is unavoidable in a natural material and will in no way lessen your belt's life.

### **Ordering**

Before any firm order is established, Hervé N. Sellier will send the customer an estimate by electronic mail. The estimate will give the date the products will be ready for shipment, their price, and the shipping rates and conditions. Eventual customs duties cannot be included in the estimate. Your order will be confirmed by email. The order will not be prepared until full payment is received for the merchandise and shipping. Hervé N. Sellier reserves the right to refuse any order because of the customer's failure to fulfill the obligations, and more generally to refuse any order of an abnormal nature in any respect whatsoever (for example, if Hervé N. Sellier considers the article impossible to produce or if the order is too big) or if there is a foreseeable problem in delivery.

#### **Delivery time:**
